NEW GOODS! NEW GOODS!!
AT

Creech's.

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and still they come.

Why, just look, the streets filled with drays all loaded with new Good's.

FOR CREECH'S.

Just received, 20 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes all day at a yard and want you look at them at 10 cents? and cant you afford to buy them at 12½?

Goods for Men's and Boy's Wear.

Don't you know that I keep the best Stock in the City? You that do not know it, come and look at them and if you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine assorty for the young men and enough to keep the old gentlemen suited, so why not spend a few moments at Creech's and satisfy yourselves?

There the remedy Barnacle rids
Its soul of Ocean's beacon its speed.
From's small boat that rowed a-long
The listening winds received the song.
COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for $2.00! Do you want them cheaper? same quality. Cant find them? Do you want them finer? I am just the man that has them at $7, 8, 10, 12, 14, 15, 20, 25 Shaws; Cloaks what more do you want still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a look of shoes, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right; Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage.

A. CREECH.

CONSERVATIVE CANDIDATE.

For House of Representatives
DR. J. B. DUNN.
SPECIAL ELECTION 26TH NOVEMBER, NEXT.

SHALL WE HAVE A CONVENTION?

We say, *emphatically*, yes! We understand the people and the press to say, yes! But in order to remove all doubt from the minds of the doubtful, and the timid, we beg to suggest to the voters of each county in the State, at their earliest convenience to call county meetings to give expression to their views fully and decidedly on the subject. Let the call be made to all who favor a Convention. We have suggested that this is not a party question. It is one, however, which involves the best interests of the State.

We are not oblivious of the fact, however, that there are here and there parties who are wholly in favor of a Convention, but who doubt the policy of calling one, in any short time. Admitting that this doubt was more general than it is, if the question be settled in the minds of the people that a Convention is *necessary*, in what way can the desire be expressed more unanimously, than by agitating it and showing that the *necessity is so great*, that the people cannot wait longer. The evils of the present Constitution and what corrections are needed, are easily made palpable to every reflecting mind, and it is attributing to the people a blind devotion to mere party, greater than we think exists, to suppose that they are willing to be crushed outright by those evils, before they are ready to move for their correction.

But some will still say, *watch and wait*. The people have watched and waited for two years, to test the practical operation of the Radical Constitution under Radical rule. The sentiment is nearly universal, we cannot stand the enormous cost of such a State government, with such a host of officers, with such a judiciary and with such a Court system, as the present Constitution requires. But those who insist upon waiting seem to think, that a great deal of our trouble can be relieved by a Democratic Conservative Legislature. That body will doubtless do all it can, but the party who formed the Constitution, bent upon their own profit by robbery according to law or without law, have so trammelled the General Assembly, by constitutional enactment, as to prevent its doing much to relieve us. The Democratic Conservative Legislature is a body that will mind the Constitution, will not violate their oaths so long as it is the Constitution. Their hands will therefore be tied in effecting such wholesome reforms as are needed.

We ask those who think we had better watch and wait, if the people can wait much longer to have the burdens of the present State government removed, or the present Civil Code, or the present township and county governments abolished? Can they wait much longer to have our noble old University re organized and made respectable? Can they wait much longer to have our Public School system put vigorously to work? What can be done to remedy all these and other burdens and oppressions until a Convention be called?

WHY SO?

From various sources we learn, that entire quiet and order prevail in the Counties of Alamance and Caswell. The civil law is administered and the Courts perform their functions as in other days. There is neither disorder of any kind nor resistance to law.

The people of Alamance and Caswell desire to know why, under such circumstances, are those Counties still declared to be in a state of insurrection? Those Counties were never in insurrection. It was false to assert it. There never was any real cause for the proclamation, much less for the inhuman and brutal arrest of our citizens and for the military proceedings of Gov. Holden in those Counties. But it be was justified in his own estimation for proclaiming there was cause to declare them in insurrection months ago, what justification can he now set up for continuing the force of his proclamation in those Counties, after he has fully vented his spleen upon the citizens thereof? The records of every State government in the Union may be searched in vain, for such lawless and ridiculous proceedings on the part of the Executive. Is there a decent Republican in the State, who can justify or approve of his course? We doubt it.

GEN. LEE.—The people of Marion, McDowell county assembled in the Court House on the 23d inst., to give expression to their feelings upon hearing of the death of Gen. Lee.

J. C. Baird, Esq., was called to the chair and Jos. G. Neal, Esq., was appointed Secretary. The object of the meeting was explained by S. H. Fleming, Esq., a committee was appointed, who reported appropriate resolutions, which were adopted.—During the absence of the committee, the meeting was very feelingly and eloquently addressed by Messrs. W. P. Craig, S. H. Fleming and J. C. Baird.

It is reported that the authorities at Washington are concentrating large bodies of troops on Governor's Island and the neighboring forts, in order to influence the approaching election in New York.

COL. DOCKERY.

Our readers will recollect the manly letter of Gen. Dockery which we published some days ago, denying that he advised or approved of the military State Troop movements of Gov. Holden. To day we give the letter of Col. Dockery, since received, which if possible, is more emphatic. We were satisfied that neither of these gentlemen could be correctly charged with approving so monstrous a measure, and it was but just to them that the charge should be met by a flat denial.

We regret that a number of respectable gentlemen in the State, who are known to be moderate in their views, should compromise their life-long principles, by giving the weight of their names to principles and measures, which they condemn and loathe, by continuing to affiliate with a party and vote with them, thus endorsing principles and measures which they abhor. Our people are either Radical or Conservative,—there is no middle ground to stand upon, without neutralizing our influence. Moderate men who love the State and desire to promote her substantial interests, cannot it appears to us, give their sanction to the radical views advocated by the Radical party in this state and contained in the present Constitution, which so seriously affect our municipal and internal government, and burden us with a weight of taxation, which our people cannot bear.

We have taken the liberty of omitting the last paragraph of Col. Dockery's letter, which has no connection with the matter in question, but which refers to the complaints of the Colonel, in reference to charges made against him by the *Robesonian*. We understand the Colonel to deny in that paragraph, what was recently affirmed by the *Robesonian*, that Col. Dockery was opposed to the removal of Col. Waddell's disabilities and that he (Col. Dockery) was a candidate to fill his place when rejected. Col. Dockery reiterates his previously avowed position, that he is in favor of a general amnesty. The *Robesonian* will doubtless do justice to Col. Dockery, when made aware that it has improperly charged him, and the paragraph in question would have been addressed to the editor of that paper.

THE LEE MEMORIAL.

The Committee appointed for the purpose of making suitable arrangements for the observance of the memorial ceremonies in this city, in honor of our lamented fellow citizen, Gen. Robert E. Lee, we learn, have completed them, and will publish the programme at a proper time.

It is designed to make the occasion every way suitable to its solemnity and importance and to give full expression to the feelings of our community.

Wednesday, the 23d of November, is the day fixed upon for the occasion, and our highly esteemed fellow citizen, Hon. Zebulon B. Vance, as will be seen from the following note to the Committee, kindly consents to deliver the oration:

CHARLOTTE, Oct. 24, 1870.

Messrs Sexton Gales, R. H. Battle, Jr., R. S. Tucker, W. H. Crew and P. F. Pescud, Committee:

GENTLEMEN: Your letter has been received informing me that I had been selected to deliver an eulogy on the life and character of Gen. Lee, on the 23d November next, on the occasion of certain memorial observances to be then held in Raleigh in his honor.

My continuous professional duties, from the present to that day, will be such as to leave me little time to do justice to so great a theme. Under ordinary circumstances, I should decline undertaking it altogether, in the consciousness that nothing but the painstaking labor of the philosophic historian, should attempt to set out in its true light, the character of our great countryman. But I cannot refuse your request. Providence permitting, I will be with you on that day, prepared so far as may be in my power, to aid you in doing reverence to the memory of him who impersonated virtue and honor.

Very sincerely yours,
Z. B. VANCE.

The General Assembly, Fire Companies, Masons, Odd Fellows, Friends of Temperance, Sunday Schools, and citizens generally, will be invited to participate in the ceremonies.

The stores, dwellings, &c., are expected to be draped and all business suspended, as far as practicable.

Our fellow citizens of the county of Wake and strangers who may be in the city, will also be invited to unite with the citizens on that occasion.

The Peace Institute has been selected as the place for the ceremonies.

Our citizens are expected cordially to aid the Committee in carrying out the arrangements.

The new Army Board to examine the records of officers with a view to recommending the mustering out of a number sufficient to meet the requirements of the act reducing the army, passed during the last session of Congress, will convene in Washington in a day or two, Maj. Gen. Hancock is President of the Board.

It is again rumored that Boutwell is sending out secret circulars to find out whether it will be possible for him to induce people who have money to lend it at par in gold for 5 per cent. to the government, whose obligations at 6 per cent. are now to be bought in the market at less than par in gold.

In the recent flood in Cuba, 400 houses were swept away and 200 human lives and 12,000 head of cattle were destroyed. Most of these losses occurred at Matanzas.

The Democrats of New York city, will hold a mammoth mass meeting to ratify the recent nominations. A number of distinguished gentlemen from other States will be present.

The following is the Democratic Congressional ticket in Georgia.

First District—A. T. McIntyre.
Second District—Nelson Tift.
Third District—William F. Wright.
Fourth District—Winborn J. Lawton.
Fifth District—W. M. Reese.
Sixth District—William P. Price.
Seventh District—Pierce M. B. Young.

IN MEMORY OF THE LATE HON. ROBERT B. GILLIAM—PUBLIC MEETING.

Upon a short notice, quite a large number of the citizens of Oxford and vicinity assembled in the Court House on Wednesday the 19th inst., to do honor to the memory of the late Hon Robert B. Gilliam.

On motion of J. T. Littlejohn, Esq., John C. Taylor, Esq., was called to the chair, and on motion of John W. Hays, Esq., Capt. John A. Williams was appointed secretary.

M. V. Lanier, Esq., explained the object of the meeting, and moved that a committee be appointed by the chairman to report suitable resolutions for the action of the meeting, which motion was unanimously adopted, and the chairman therefore, appointed Messrs. M. V. Lanier, J. S. Amis, Jas T. Littlejohn, John W. Hays, Dr. S. A. Williams, W. S. Grandy, R. H. Kingsbery and L. A. Paschall, to compose the committee.

The committee after retiring for a short time, returned and reported through their chairman, Mr. Lanier, the following resolutions, viz:

WHEREAS, It has pleased the Almighty Father to call out of this life our friend and fellow citizen, the Hon. Robert B. Gilliam, while we would submit with becoming reverence to the will of Him who is righteous in all his ways and holy in all his works and doeth all things well, yet do we desire, as we think it meet, to unite in honoring the memory of the deceased by giving some public expression to our sense of his worth and of the greatness of the loss sustained in his death, therefore

Resolved, That we regard the death of Judge Gilliam as a serious calamity to the country, the more to be lamented at this time when his wise counsels, honorable example and salutary influence are so much needed in the walks of public life.

Resolved, That those noble qualities of head and heart which so endeared him to all classes in all the relations of society, rendered him eminently worthy of the universal respect and confidence which he enjoyed in his life, and of the affectionate regret with which his memory will be cherished and honored now that he is gone.

Resolved, That we tender to his family our sincere sympathy in this sore affliction and bereavement, and assure them that it is not theirs alone but as common to us all.

Resolved, That as a further token of respect the citizens of Oxford will close their places of business from 2 o'clock P. M. to 5 P. M.

Resolved, That a copy of these resolutions be transmitted to the family of the deceased and that a copy be also furnished to the newspaper press for publication.

Mr. Lanier, in submitting the resolutions, paid a touching and eloquent tribute to the memory of the deceased, and was followed by Messrs. Amis, Littlejohn, Hays and Dr. S. A. Williams, in remarks appropriate to the occasion.

During the delivery of these remarks, evidences of profound and unaffected grief were visible throughout the audience, and many eyes unaccustomed to weep were bathed in tears.

The resolutions were adopted and on motion the meeting adjourned.

JORDAN STONE,
Secretary Executive Committee.

Schenck contests Campbell's election on the ground that the inmates of a Soldier's Home were not allowed to vote. The Supreme Court of Ohio, composed of Republicans, had unanimously decided that they were not lawful voters. Schenck uses this merely to get his case before Congress. Once there, it is safe enough. Campbell might as well give it up.

Senator Conkling, of New York, one of the lights of Radicalism, in a recent speech, said: "The people cannot be reminded too often that the platform of the Republican party has taken the place of that decayed and worm eaten bequest of the Fathers of the Republic, the Constitution of the United States."

At the mouth of New River, in Onslow county, on Wednesday morning last, six hundred barrels of fish were caught at one haul. New River is some place for fish as well as for oysters.—*Wil. Post.*

For the Sentinel.

Editor of the Sentinel:

SIR—In your issue of the 11th inst., in an article headed Gen. Alfred Dockery, I see an extract from the Asheville *Pioneer*, in which the editor thereof states, by way of extenuation of the recent military movement in North Carolina, that the "call was issued at the sanction and by the advice of the leading Republicans in the State, including Senators Pool, Abbott, Scott, Dockery, Mott, &c."

In your disclaimer of belief in the statement in regard to "Gen. and Col. Dockery," (for you do not know to which allusion is made,) you very properly state that "neither sanctioned or advised Holden's military furor." In this you do us but simple justice. As for myself, I opposed it in its (to me) earliest inception, deprecated its exercise and denied its necessity. This fact, I presume, is well known to all my colleagues and others in Washington City. My position was emphatic and distinct.—My opposition to the whole scheme was clear and unquestioned, protesting in strong language against its propriety or necessity in any portion of the State, in ling in which, I secured by timely advocation at intercession from the proper authority, a pledge that no troops should be sent into any portion of my District without my consent. *This consent has never yet been given, although troops were sent.*

And even since then, sir, during the hot test and most vindictive canvass of my life (when, for the time being, I had much to lose and no ling to gain,) my opposition was equally clear and unquestionable, as can be attested by the honest freemen of almost every township in this large District of twelve counties, and twice by letter declined positively the *newspaper tender* of a Brigadier Generalship in that or any similar organization. I could not approve such an unwise and reckless measure—regarding it, as I did, as unauthorized, uncalled for and dangerous in the extreme.—Such a measure was in direct opposition to the cherished principles of my life, and entirely foreign to every portion of my political record, and to every sentiment of my heart.

Why, Sir, in the *Congressional Globe* of July 25th, 1868 a very few weeks after the admission of North Carolina to her membership into the Federal Congress, are to be found some published remarks of mine, in which, thus early, my position was clearly defined in opposition to a bill "to distribute arms among the Southern States" wherein I contended that "in the irritable condition of the public mind, such a measure would be attended with danger to the peace and order of Southern Society," and that "the Government was therein assuming an attitude apparently unwise, imprudent, distrustful and menacing," and I invoked instead thereof a "spirit of leniency, indulgence and kindness," that "the people were tired of war," and that "their thoughts were turned on peace and quietly, unobtrusively, yet energetically, they were disposed to look after their private interests, in an honest effort to repair their shattered fortunes, to educate their children and to make their families happy and life comfortable; that it was unwise to introduce into their midst the elements of discord or alarm them again with the grim visage of war," &c. &c. I to-day reiterate the same sentiments and have ever acted and voted in accordance therewith. Furthermore I was opposed, as was known to many members of the Legislature to the passage of the bill, under which authority is claimed for the late military movement. I thought then, and so expressed it generally, that I could discern indications of trouble and the inauguration perhaps of strife, which might prove inimical if not fatal to the people of my State, for which opposition I then incurred the censure of many members of the Republican party.

During my canvass I took strong ground against this military operation under Kirk and others, but equally strong ground in favor of the enrolment of the militia and its thorough organization with a view to action, if necessary, in the enforcement of the laws of in the disturbance of the public peace, and oft times in public discussions and elsewhere animadverted, with some severity perhaps, on the remissness of our State officials in not adopting that course enjoined in the Constitution and prescribed by law. In that negligence or omission, I contended there was dereliction of duty and censure should attach.

Be kind enough to publish the above hastily written communication and oblige yours truly,
O. H. DOCKERY.

TOWNSVILLE TOWNSHIP.

MR. EDITOR: It may interest your readers to let them know what is going on in this portion of Holden's vineyard, which is superintended by Col. Taz Hargrove. The Colonel as you are aware, was educated a whig, but the party was on the wane and Holden converted him to secession and the principles of Democracy. About 1860 he publicly proclaimed himself ready to walk over red hot plow shares and living coals of fire to take Washington City, when a Republican was elected President of the United States.

After the war was over the Colonel declared he would re enslave the negro in three hours if he could, nor should he vote if he could prevent it, for he was not fit to vote.

But the purpose of this letter was not to tell you about the Colonel so much, as about the township. We have two township Magistrates, Dick Sneed (white) and Samuel Cross of Connecticut (colored.)—Our carpet bag Magistrate Cross has been living for some time in your city, exercising the privileges and vocation of a barber at the National Hotel. I wish you would tell Mr. Butler to send him home. First and last, some 1500 dollars have been collected for our township. One respectable farmer refused to pay his tax. It was only $37.50 for the township. And Williams, our negro Constable brought the old white farmer to a proper sense of township authority, by selling his horse for township tax.

Hurry up the Convention to abolish Townships, Commissioners, and Code of Civil Procedure. Every white tax payer in Granville will vote for it, except Kildee Lassiter, Col. Hargrove and a few office holders.

Yours, W.

RALEIGH COTTON MARKET.

Oct. 26, 1870.

Reported by A. G. Lee & Co., wholesale Grocers and Commission Merchants, Raleigh, N. C.

Receipts	143 bales.
For shipment	143 "
For Storage	00 "

Market firm at 14½ to 15 cents.

We are authorized to announce Mr. William E. Pell, Jr., of this city as a candidate for Reading or Assistant Clerk of the State Senate. Mr. P. has been the Reporter of the SENTINEL in the Senate for several years.

Mrs. GETTINGER has just received and is still receiving a second large stock of Fall and Winter millinery, to an inspection of which, her many friends and customers are respectfully invited.

JEWELRY FOUND.—Picked up in Floral Hall, at the Fair Grounds, since the Fair, a very neat piece of coral jewelry, belonging to a set. The owner can get it by applying at this office and identifying it.

GOT THE TRUMPET.—In the list of premiums, as published yesterday it is stated that Company No. 2, of this city, got the premium for best hand engine at the Fair. This was an error, as it was awarded to Colored Company, No 1—the "Victor." The award was made for the "best hand engine" without reference to its caliber or proportionate power for throwing water.

Of course the "Rescue" steam fire engine was not in competition with the hand engines.

PAPERS FOUND.—A colored woman has left at this office a note of hand given by John Turner to W. W. Allison, dated 7th Dec. 1869, for $87,50, having a credit endorsed on it, of $42. Also an order on "Mr. Ellison," for 3 bushels wheat, dated Sept. 11th, 1870, signed "T. H. Mebane." She picked up the papers near the N. C. depot. The owner can get them by applying at this office.

READY TO PAY.—Gen. J. R. Stubbs who recently died at Williamston, N. C., was insured in the Widows and Orphans Life to the amount of $5,000, and his representatives have been notified by Messrs. Martin & Pinch, that they are ready to pay over the amount.

ESCAPED.—Charles H. Snead, convicted of horse stealing at last term of Johnston Superior Court, and who took an appeal to the Supreme Court, broke out of jail at Smithfield, last Sunday night, taking out with him a female 15th amendment, and made good his escape. The Sheriff with a posse went in search of him on Sunday but returned without his bird. Snead, with the evidence against him, has more confidence in his heels than in the Supreme Court, and hence will be likely to keep out of the way, if possible.

SALT FISH.—The contribution of salt fish at our Fair was very meagre—only one barrel being exhibited. We are the more astonished at this on finding that there is a fine supply of salt fish in our market. F. C. Christophers, on the North side of Market Square, has a very large supply of fine, fat mullets, by the barrel or by the pound, that would have made a good show at the Fair, and not a bad showing, boiled and buttered, on the table. We have seen no better in this market at any time.

DIDN'T DO IT.—John Jones, the Barber, says he did not raise his price for shaving during the Fair, and further, that he never charges but *ten cents* for shaving. Hughes & Otey at the Yarboro' Saloon, also deny rising in their price. We hope it will turn out that none of them did it. *Per contra*, our informants say that they will prove what they stated. Is it not probable that some persons had their boots or shoes blacked, in addition to shaving, and was charged 25 cents for the whole bill? We should not be surprised that it was some how so.

"Spalding's Glue," no well regulated family will bewithout it.

VAST QUANTITIES OF IVORY DESTROYED. Thousands of teeth that might last a lifetime, are lost every year, simply because the parties concerned either forget or do not appreciate the fact that *Sozodont*, duly applied, renders the dental substance proof against decay.

If you have sallow, color of skin, or yellowish brown spots on face or body, dullness, drowsiness, frequent headache or dizziness, bad taste in mouth, tongue coated, internal heat, unsteady appetite, low spirits, gloomy forbodings, you are suffering from liver complaint or biliousness, and nothing else will relieve and cure you so speedily and permanently as Dr. Pierce's Alterative or Golden Medical Discovery. Sold by druggists. A pamphlet sent free. Address Dr. R. V. Pierce, Buffalo, N. Y.
oct 25-eod1w

A UNIVERSAL SUBSTITUTE.—Nobody believes before the introduction of PHALON'S VITALIA, on SALVATION FOR THE HAIR, in the possibility of a preparation for reviving the natural color of gray hair, so clear and transparent as the atmosphere, and as limpid as alcohol. Everybody believes it now. The old nostrums are discarded, and the Vitalia is admitted to be a perfect success. Sold by all druggists and fancy goods dealers.

MARTIN & FINCH, Gen'l Ag'ts.,
sept 29-3m* Raleigh, N. C.

W. R. SHULTZ OF SALEM.—This gentleman was among the most extensive exhibitors at our late Fair, most of the articles entered by him being of his own manufacture or the production of his own farm.—Among the articles exhibited by him, we enumerate the following, on nearly all of which he was awarded premiums:—

One fine walnut secretary, made of native wood, with ingeniously contrived secret drawers.

A lady's mahogany toilet table, fit for any lady's dressing room.

A centre table veneered with fine mottled walnut curls.

An enclosed walnut wash stand.

A yellow maple rocking chair, of native wood, of the natural color.

A large and comfortable reclining chair for invalids, of native wood.

Two beautiful parlor chairs, veneered with walnut curls, with home embroidered cushion seats.

One sarpentine frame ottoman with embroidered cover.

A walnut piano stool, and child's walnut cradle.

A collection of fancy wood work, embracing child's rocking chair, doll cradle, fancy work boxes, candle shades, toilet boxes, &c., made of and representing some of the most valuable native woods of the State.

Mr. Shultz is also master of the bee "altnation" in the State. He exhibited at the Fair a stand of Italian full blood bees, Italian hybrids and a stand of bees, all in Langstrath's movable comb hives; also a sample of this hive with the appurtenances. Also a number of boxes of the most beautiful honey, some of which can be seen at Mr. E. O. Macy's in this city.

In addition to the above, Mr. S. exhibited a miscellaneous collection of agricultural and mechanical products, household fabrics, &c., making in all about fifty entries.

He also, as Agent for others, entered a number of useful and ornamental articles for farmers and mechanics of Forsyth and the ladies of the Church Aid Society of Salem.

It don't take many such exhibitors as Mr. Shultz of Salem, Mrs. Wilson of Granville, Mr. Thompson of Davidson, Mr. Hege and wife of Friedburg, and some others we might name, to make up a creditable Fair. We hope they and a thousand others like them will be in at the next annual exhibition, and, at the same time, that all whose contributions, though less in number were equal in merits will also be on hand.

SUPERINTENDENT.—From a paragraph in the Charlotte *Observer*, it appears that Jasper Stowe claims to be Superintendent of the Wilmington, Charlotte and Rutherford Railroad—the *whole* Road. We don't understand that.

SUPPER TO THE VICTORS.—The wives, daughters, sisters and sweethearts of the colored Fire Company, No. 1, gave that Company a complimentary supper, last night, at the basement room of the Market House. Good eating and good cheer were the characteristics of the occasion, and the new premium horn awarded to the Company last week, was dedicated in due form. Everything passed off pleasantly, and all went "merry as a marriage bell."

A CHALLENGE.

With all respect and due deference to the committee, I must insist that the mode of judging who is the meritorious competitor for the premium on Flour at the late State Fair at Raleigh was a perfect farce; as any miller can furnish a barrel of good Flour if he has (10) ten bushels of good wheat to make it of. But any miller will tell you that it should be the best result in quality and quantity of production from a given number of bushels, if wheat, the miller that can bring the production of a given number of bushels to the highest merchantable value. This should be the test. If I should excel without some such guide as this, I would not consider that I deserved a compliment, much less a premium.

I do not know or care who may be the *unmerited competitor* at the *State Fair*, I will challenge him or any one else who exhibited flour there, for a TWENTY DOLLAR GOBLET, for the best production from fifty bushels of wheat, each competitor to furnish one tenth of the entire result of everything made from the fifty bushels wheat, flour, bran, shorts, &c., &c., on exhibition at our Fair of the Cape Fear Agricultural Society to be held the 15th of November, at Wilmington, N. C.

It may be there is as much honor in seeing your competitor, as excelling him, but there is not as much satisfaction. There was not one miller that would accept my challenge at the State Fair.

Those competing are expected to share the hospitalities of the challenger during the week of the Fair.

ALEX. OLDHAM,
Proprietor Cape Fear Flour and Pearl Hominy Mills, Wilmington, N. C.

TO THE PUBLIC.

The following certificates will show who was entitled to the premium on Piano Fortes at the late Fair of the N. C. Agricultural Society and by What means it was diverted from its rightful recipient.

It was publicly announced by Mr. Litchfield that 2 o'clock was the hour for the Judges to meet. At two minutes past one, Mr. Bohlman Professor at the Raleigh Female Seminary, entered the Hall and was informed it was all over. Thus a very small majority, leaving out the very best judges, had awarded the premium to the inferior article. Mr. B. has no desire to cast the least reflection upon any one concerned in the affair. But had judgment taken place at the time appointed, with all the Judges present, the result would have been different.

Raleigh Female Seminary.

MR. J. PESCUD,

Dear Sir:—It gives me great pleasure to testify to the real excellence of your (Great Union Piano Co.,) Piano. In depth of tone and equality of touch they are unsurpassed. They are decided by the most superior instruments I have tried lately. Wishing you great success.

I remain yours truly,
A. BOHLMANN,
Prof. of Music at Raleigh Female Seminary.

I heartily endorse the above certificate.

FOREIGN.

The war in Europe has caused a great scarceness in Millinery goods and yet Hester's new store on Fayetteville street opposite Tucker's continues to receive great varieties of the finest quality and latest styles at New York prices.

The great number of orders received from all parts of the State and the liberal patronage of the Ladies of RALEIGH, has been truly encouraging in this new establishment, for which the undersigned returns many thanks, and promises to continue the same promptness in filling orders, and an earnest effort to please all.

Bridal Bonnets, Hats, Wreaths, Veils, &c always ready or made to order.

THE PAIN KILLER.

This celebrated medicine has won a deservedly high reputation as an alleviator of pain and a preserver of health. It has become a household remedy, from the fact that it gives immediate and permanent relief. It is a purely vegetable preparation, made from the best and purest materials, safe to keep and to use in every family. It is recommended by physicians and persons of all classes, and to-day, after a public trial of thirty years—the average life of medicines carefully and unparalled, spreading its usefulness over the wide world. Its large and increasing sale affords positive evidence of its enduring fame. We do not deem it necessary to say much in its favor as one small bottle will do more to convince you of its efficacy than all the advertisements in the world. Give it one fair trial and you would not be without it for ten times its cost.

Directions accompany each bottle.
Sold by all Druggists.
Price 25 cts., 50 cts., and $1 per bottle.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $1,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,021,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division; and not by the cash adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

NOTICE TO CAPITALISTS.

I SHALL proceed to sell to the highest bidder for cash, at the Court House door in the Town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, some Twenty or Twenty-five Thousand Acres of Register Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Stones Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also all the chattels property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Company is now surveying a ditch from Sandy Creek, to supply this and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

SUCCEEDS HIS FATHER IN THE AGENCY OF THE

NATIONAL LIFE INSURANCE CO., U. S. A.

For the Central and Northern Counties in

NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued over

10,000 POLICIES,

and nearly doubled its immense Capital of $1,000 000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when compared with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wishing Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" so well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen, & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, commends all who see it fairly that more so that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1½ inch square iron bars, which is capable of sustaining a strain of 100,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

It is believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet—Size Bale 4½ feet 12x28x50in; wt. Bale 400 to 550 lbs.

THOS. H. BRIGGS.

Death losses have not occurred, out of several hundred policies in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for *judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate their Reserve Value on Policies each and every year, *and a certain loyal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully look to this important safeguard. It will be found in the BROOKLYN LIFE.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agents, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.
